07/18/2018

On the above date I, Deputy Dedmon was assisting Detective Mcalpin on a controlled buy of narcotics at 750 Highway 80 Loves truck stop inside of the City Limits of Flowood. During the course of the investigation the suspect fled in his vehicle striking several patrol vehicles, and an innocent pedestrian. Shortly after the suspect fleeing he wrecked his vehicle and began fleeing on foot. Other Deputies and Myself gave chase, catching the suspect several hundred yards away. Detective Acy was able to deploy his taser to stop the suspect.

Once the suspect was on the ground Deputy Stickman and myself attempted to place the subject into custody. While trying to place the subject in hand restraints he began striking Deputy Stickman and Myself with a closed fist attempting to flee again. After Deputy Stickman and myself was struck several times we were able to over power the suspect later identified as Freddrick Tremble and bring him out of the woods he ran into.

I filled out use of force regarding the amount of times I struck him with my fist to be able to place him under arrest and also defend myself.

I have no further information at this time....

Trimble stated from the backseat of my marked patrol unit "I seen the fucker, but he wouldn't get the fuck out of the way. When i hit him he rolled up and broke my windshield.". I later learned that the black male being treated and transported by Pafford Ambulance Service had been ran over by Trimble.

I then transported Trimble to the Rankin County Sheriff's Department for further Booking.

Title: FREDRICK TRIMBLE
Date Entered: 7/19/2018

Report Type: S

On this date I (McAlpin) met with an RCSO CI for the purpose of purchasing heroin from B/M Fredrick Trimble. The CI advised he had spoken with Trimble where he arranged to meet at the Romantic Adventures parking lot where he would purchase \$420.00 worth of heroin. The CI advised Trimble changed the location to the Loves's Service Station due to the Romantic Adventures parking lot being to open. I along with the CI again called Trimble . I advised Trimble I had only \$300.00 in cash but would make up the difference with a .22 caliber handgun. Trimble maintained he wanted to meet at the Love's Service Station located at 730 Hwy 80 in Flowood, MS. Trimble stated he would work with the \$300.00 in cash and the .22 cal handgun. Trimble advised the CI to call him when he reached Richland in route to the Love's Service Station. I then searched the CI for any illegal substances of related paraphernalia, none were found. I then provided the CI with \$300.00 in official funds. The CI then accompanied an RCSO UC who drove the CI to the Love's Service Station parking on the west side of the building. I along with both unmarked and marked RCSO patrol units remained in the immediate area.

At approximately 2130 hours the RCSO UC advised Trimble had arrived at the Love's Service Station, driving a black Nissan Ultima (RGY776). The UC advised the CI exited their vehicle then entered the passenger side of the suspect vehicle. The CI explained he entered Trimble's vehicle at which time he provided Trimble with the \$300.00 in official funds. Trimble then provided the CI with a piece of foil containing what appeared to be heroin. The CI then returned to the UC vehicle. The UC then advised waited RCSO units they had received the agreed upon heroin. Deputy Davis and Thornton activated their blue lights and pulled behind the suspect vehicle at which time the suspect put his vehicle in reverse ramming Davis's vehicle. The suspect then pulled forward then backed up, again striking Davis's vehicle. Trimble then fled striking a semi tractor parked on the west side of the building. Trimble then continued to the north parking lot where he was met by marked RCSO patrol units. Trimble refused to stop continuing east into the east parking lot. Trimble the turned right traveling south on the east parking lot at a high rate of speed. Trimble continued south striking pedestrian Mahad Hussein Ismail at the entrance to the parking lot. . Deputy Acy and Beemon attempted to stop Trimble at the entrance of the parking lot at which time Trimble turned right striking the front of Acy's vehicle. Trimble accelerated west on the frontage road for a short distance until striking an embankment. Trimble then exited his vehicle fleeing on foot west parallel to Hwy 80 crossing Flowood drive. Upon my arrival I observed Ismail in the parking lot and requested medical personnel to our location in order to assist Ismail. Upon securing Ismail (transported to UMMC) I learned Trimble had been located west of Flowood Drive. I then responded to a wooded area west of the old Flowood Flea Market. Upon my arrival Trimble had been taken into custody and was being placed in a waiting patrol vehicle. As Trimble was being taken to a patrol unit I observed him to be combative. Trimble refused to acknowledge me speaking to him attempting to obtain his identity and advising him of his Miranda rights. Trimble was then transported to the RCSO Jail. Investigator Carter was notified then responded to the UMMC .

I returned to Trimble's vehicle where RCSO units were waiting. I met with the CI who provided me with the substance purchased from Trimble (exhibit one). Upon observing the vehicle I recovered two of the \$100.00 notes in official funds provided to the CI in the driver's side floor board (exhibit

two). I also observed a foil wrapper similar to the one purchased by the CI in the driver's seat. Upon opening the foil I observed a substance similar to the one purchased from Trimble believed to be heroin (exhibit three). I along with responding deputies then canvassed the area where Trimble fled on foot where I located the remaining \$100.00 note in Official funds provided of the CI. This note was placed with the two notes previously recovered. I then had Trimble's vehicle towed to the RCSO Shop. I then responded to the RCSO Jail where I met with Deputy Holley who had obtained a search warrant for Trimble's blood. After receiving medical treatment medical personnel retrieved blood from Trimble. This specimen kit (exhibit four) was sealed then placed in refrigeration in the RCSO patrol room. I then spoke with Investigator Carter who was able to speak with Ismail. According to Carted Ismail was unable to recall any of the events which had taken place. Ismail was reported to be in stable condition and would remain under the care of the UMMC.

On 071918 Deputy Godfrey relinquished exhibit four to the Mississippi State Crime lab.

On 7/18/18, I was notified by dispatch regarding this case. Inv. McAlpin was requesting that I respond to UMMC to interview and photograph the victim of the vehicle assault. I went to UMMC and Mr. Ismail was having a CT scan performed. When he returned from his CT scan, I spoke to him. He had no recollection of the incident. He repeatedly asked that I call his wife and then asked what had happened. Per his nurse, he had a serious head wound and some lacerations on his elbow and hands. It was unknown if he had any broken bones at the time. He did tell me that he was a truck driver from Ohio and that he didn't have any family in the area.

I took pictures of his injuries and left my card with his wallet.

Title: LOVEDAY
Date Entered: 10/26/2018

Report Type: I

On this date I (McAlpin) met with an RCSO CI for the purpose of purchasing methamphetamine from w/m Brooks Hicks. Arrangements were made to meet at the 5106 Meadowood Drive in Brandon, the residence of Roy Loveday. The CI agreed to purchase approximately 3 grams of methamphetamine for \$170.00. I searched the CI for any illegal drugs of related paraphernalia, none were found. I then provided the CI with \$170.00 in Official Funds. The CI was then driven to 5106 Meadowood Drive by an RCSO UCI. I followed the CI to the Country Meadows sub division where I along with other unmarked RCSO units remained in the neighborhood with the UC vehicle. Marked RCSO units remained in the immediate area.

The UCI took the CI to 5106 Meadowood where he met with Hicks. Hicks advised the CI he was going to call and have the methamphetamine delivered. At approximately 2330 a silver four door Buick (RAA3541) arrived at the residence occupied by two black males. The two black males entered the residence. The CI stated they then went into the residence where they met with one of the black males called Mitchell. The CI recalled he entered the residence then went right into a hallway into the first bedroom on the left which was occupied by one female, Hicks and Mithchell. The CI then provided Mithchell with the \$170.00 in Official Funds at which time Mitchell provided the CI with a small clear plastic bag containing the alleged methamphetamine.

While the CI was in the residence I observed one of the black males return to the silver Buick then sit in the front passenger position. The CI then exited the residence. I picked up the CI on Meadowood Drive at which time he provided me with the purchased substance which I placed in sealed plastic evidence bag (exhibit 1).

I along with responding RCSO deputies then went to 5106 Meadowood Drive where we made entry into and secured the residence. I then spoke with home owner Roy Lovelady who gave consent to search his residence and property. During the search of Mitchell Hobson the \$170.00 in Official funds was recovered from his pocket. Continued search of the residence in the bathroom occupied by Lovelady revealed two syringes and clear crystal like liquid in the bottom of an aerosol container. I field tested the liquid which test positive for methamphetamine (exhibit 2,2A). Several pipes used to inhale methamphetamine were located in the living room and bedroom occupied by Creel, Hopson and Dettore (exhibit 3,3A). Another aerosol can similar to Exhibit 2A was located in the hallway bathroom. This can also had residue which tested positive for methamphetamine (exhibit 4).

During the search of the bedroom occupied by Paul Sanders a clear plastic bag containing a clear rock like substance along with a glass pipe was recovered next to the bed where Sanders was located (exhibit 5, 5A). During the pat down of Hicks a plastic bag containing a clear rock like substance was recovered from his pants pocket (exhibit 6). All suspects were transported to the RCSO Jail. Loveday's residence was secured along with park management being notified.

On 102518 I conducted interviews with Hopson, Sanders, Hicks, Dettore and Creel. Hopson stated he was contacted by Creel requesting he bring methamphetamine to the residence to sell to the CI. Hopson also stated he did receive the \$170.00 from the CI and provide them with methamphetamine. Sanders stated he was in his room at the time entry was made. Sanders continued stating he had methamphetamine along with a pipe in the bed with him then knocked it

off the bed when deputies came into his room. Hicks explained he arranged to sell methamphetamine to the CI but had Creel contact Hopson. Dettore and Creel elaborated on how long they had stayed at the residence. Creel stated Loveday was aware of the methamphetamine use in his residence and had taken her on several occasions to purchase methamphetamine in the Jackson area. Dettore also advised Loveday was aware of the methamphetamine use in his residence and he had been present numerous times when methamphetamine and other illegal drugs to include marijuana were being used.

Title: MOTT / JONES

Report Type: I

Date Entered: 6/22/2018

On 062118 I met with an RCSO CI for the purpose of purchasing methamphetamine from Robert "Rob" Jones. The CI made contact with Jones via telephone conversations and text messages arranging to meet him at 775 North Bierdeman lot 29. Jones advised they were in Jackson traveling to various locations in order to obtain methamphetamine, marijuana and other prescription medications. I learned Jones was accompanied by driver Jeffrey Mott. Due to the extended amount of time the CI and I had communicated with both Jones and Mott who continued to state they were arriving soon I instructed the CI to have either Jones or Mote send photos of their location to verify they were in route to North Bierdeman.

At approximately I observed a black Cadillac Escalade occupied by two white males traveling east on Hwy 80 in Pearl. I followed the vehicle onto North Bierdeman where the vehicle first passed the entrances to Bierdeman Mobile Home park then turned around entering the south entrance. The CI advised Mott and Jones were lost and trying to find the correct entrance. I then observed the vehicle exit the south entrance then pull into the center entrance of the park. I advised waiting marked patrol units that the vehicle I was observing was the suspect vehicle. I then observed the vehicle back into the drive of a residence at which time I along with waiting patrol units approached the vehicle. As I approached the suspect vehicle I activated my blue lights at which time the suspect vehicle accelerated forward striking the front left bumper of my vehicle then continuing forward striking the rear of a vehicle parked at a residence. Upon exiting our vehicles the driver, Mott and passenger, Jones were then removed from their vehicle and taken into custody. I recovered three phones from the vehicle including the one used by Jones to communicate with myself and the CI. I observed on the open screen communications between Jones and the CI directing him and Mott to our location. During the pat down of Mott I recovered a plastic bag containing what appeared to be marijuana from his pocket. In addition, paraphernalia related to the use of illegal drugs was recovered throughout the vehicle.

Deputy Faron responded to our location in order to report the file a report in reference to the damage done to my vehicle along with the parked vehicle. Both Mote and Jones were transported to the RCSO. Upon arrival at the RCSO I conducted recorded interviews with both Mote and Jones where following Miranda they recounted their involvement in the events which had taken place earlier. During the interview with Jones he stated upon seeing law enforcement he swallowed the methamphetamine he had to deliver.

Title: PORTER

Report Type: I

Date Entered: 3/27/2019

Beginning approximately 030119 I (McAlpin) began investigating reported drug activity involving Maurice Porter and his residence located at 142 Annie Burch Road. I was familiar with Porter due to prior illegal drug related arrest. On 032619 I along with other RCSO units were in the area of Clara Foote Road and Pursue Road again observing traffic entering and exiting Annie Burch and Pursue Road. At approximately 2300 hours I observed Porter driving a red Ford Focus. Porter was exiting Pursue Road onto Clara Foote Road. I was aware Porter did not possess a valid driver's license and advised waiting marked RCSO patrol units of his location and direction of travel. Deputy Grogan and Stickman then stopped Porter on Garrett Road. Upon approaching the vehicle Grogan identified the driver as Maurice Porter. Porter could not produce a valid driver's license and was asked to step out of the car. Upon doing so Deputy Stickman observed a clear bag containing Marijuana in the driver's door. Porter explained he thought he left the Marijuana at his residence. While Deputy Stickman continued searching the vehicle for any further drug related evidence he located two plastic bags of Methamphetamine under the driver seat. Once Porter was questioned about the alleged Methamphetamine he fled the scene on foot. Several deputies gave chase and were able to take Porter into custody after a short foot pursuit. After porter was taken into custody he was Mirandized and walked back to the scene of the traffic stop where several more items of paraphernalia was located including a loaded firearm. While processing all of the evidence Porters mother arrived on scene wishing to take possession of her vehicle which Porter was driving. I began speaking with her in reference to the drug activity Porter had recently brought around her residence. Catherine Porter gave verbal consent to search her residence and stated if there was anything illegal in her residence she wanted it removed. In Maurice's room several items of Paraphernalia and an assault type pistol with no serial number was located. Outside of Maurice's bedroom window I located one firearm sticking out from under the edge of the house being a single shot 4-10 which was collected as well. Deputy Elward transported Maurice Porter to Rankin County Jail.

Incident number: 2019031681

Circumstances surrounding the use of force:

I & Deputy Grogan made a traffic stop on a vehicle. The male was asked to exit the vehicle & walk to the rear. While searching the vehicle, I found a plastic bag containing meth. I showed it to the suspect & he then fled on foot away from us.

I, Grogan & Dedman gave chase to the suspect. After a short foot pursuit, Deputy Grogan was able to take the suspect to the ground where the suspect began to actively fight. I deployed my taser at the suspect, striking him in the back. We were then able to place him in custody.
